

Vascular Society of New Zealand - Programme

Friday 19 February 2010 - TSB Showplace

12:00pm Registration Opens - TSB Showplace

Session 1 Chairman - Andrew Hill

1:00pm Branched stent grafts in thoracoabdominal aneurysm repair - Eric Verhoeven

1:30pm Hybrid procedure for proximal arch and descending aortic aneurysms: a 5 year single centre experience
Nathaniel Chiang, Isabel Wright, Chris Holdaway, Dave Ferrar, Paul Haggart, Thodur Vasudevan

1:45pm Outcomes after intentional coverage of the left subclavian artery during endovascular repair of the thoracic aorta - Chris Day

2:00pm Embolisation of proximal type 1 endoleak using n-Butyl-2-Cyanoacrylate after endovascular repair of the thoracic aorta: two case reports - Chris Day

2:15pm Absence of early endoleak: implications on postoperative surveillance after endovascular aneurysm repair with Zenith stent graft
Penelope Milsom, Albert Lo, Andrew Holden, Andrew Hill

2:30pm NTAS database - Tim Buckenham

2:45pm Genetic risk factors for abdominal aortic aneurysm
Greg Jones, L V Phillips, Z Yu, Andre van Rij and NZVDRC

3.00pm **Afternoon Tea**

Session 2 Chairman - Andre van Rij

3.30pm Pre-operative nutritional status as a predictor of post-operative fatigue in patients undergoing cardiac and vascular surgery
Bonnie Leung, Nathaniel Chiang, Paul Haggart, Jimmy Chong, Thodur Vasudevan

3:45pm Oestrogen receptor beta gene variants are associated with superficial varicose veins
Jo Krysa, Greg Jones, Andre van Rij

Friday 19th February 2010 - contd

- 4:00pm Validation of FASTSCAN and Silhouette Mobile - a handheld wound measuring device
Anna Kang, Nathaniel Chiang, Paul Haggart, Thodur Vasudevan
- 4:15pm The effects of smoking on transcutaneous oxygenation in the hands
Tim Hill, Nathaniel Chiang, Paul Haggart, Thodur Vasudevan
- 4:30pm Copying clinic letters to patients - David Lewis, Tamara Brodie, Justin Roake
- 4:45pm Vascular Society of New Zealand Audit Report - Ian Thomson
- 5:00pm Vascular Society of New Zealand Business Meeting
- 6:30pm Transport to Gusto's for evening meal - Dress: Casual

Saturday 20th February 2010

Session 3 Chairman - David Lewis

- 8:30am Experience and comparison of the Gore Excluder and Zenith stent graft systems for EVAR
Eric Verhoeven
- 9:00am Nellix device for AAA - Andrew Hill
- 9:15am 100 open consecutive elective open AAA repairs - Katherine Gale, Graeme Skeggs
- 9:30am Duplex surveillance of aortic endovascular grafts - the Waikato experience with an overview of the technique - Isabel Wright, Thodur Vasudevan
- 10:00am Risk adjusted vascular surgical audit - making it simpler
Simon van Rij, Damien Mosquera

10:15am Morning Tea

Session 4 Chairman - Justin Roake

- 10:45am The time sequence of the development of axial deep reflux following lower limb DVT - a prospective study over 5 years
Andre van Rij, Gerry Hill, Ian Thomson, Ross Christie, Josie McFarlane, Greg Jones
- 11:00am Deep venous reflux: what is it and when is it important?
Kah Heng Lim, Gerry Hill, Ross Christie, Andre van Rij
- 11:15am Vascular workload in a provincial New Zealand Hospital - Simon van Rij, Damien Mosquera
- 11:30am Endovascular management of central thoracic veno-occlusive disease in haemodialysis patients - Lupe Taumoepeau, S Barnard, P Weeks, R Khaleghian, S Hawkins
- 11:45am Portacath insertions at Auckland City Hospital - Abdul Rahman Maher, Andrew Hill

Saturday 20th February 2010 - contd

- 12:00pm The use of Flixene PTFE grafts and early dialysis cannulation
Paul Haggart, David Ferrar, Nathaniel Chiang, Thodur Vasudevan
- 12:15pm A prospective study to look at volumes of foam sclerosant used to obliterate varicosities
Ian Bloomfield, Mark Morgan
- 12:30pm **Lunch and Depart for Activities**
- Mt Taranaki Adventures - Mountain Bike Option
- Mt Taranaki Adventures - Bushwalk Option
- Golf at Ngamotu Links Golf Course
- 7.00pm Transport to Okurukuru Winery for Conference Dinner - Dress: Smart

Sunday 21st February 2010 - TSB Showplace

Session 5 Chairman - Michael Fancourt

- 9:00am Endovascular treatment of popliteal aneurysms - Eric Verhoeven
- 9:20am Stent grafts for popliteal aneurysms. The next paradigm
Thodur Vasudevan, Paul Haggart, S Muthukumaraswamy
- 9:35am Nurse led clinics for patients with intermittent claudication
Jennifer Reid, Margaret Mossop, Glynnis Clarke
- 9:50am Outcomes of infrainguinal angioplasty in critical limb ischaemia: does multilevel disease matter? Chuen Min Then, H A Saleem, Thodur Vasudevan, David Ferrar, Chris Holdaway, M Swarbrick, S Muthukumaraswamy
- 10:05am Five year audit of amputations at Auckland City Hospital - Yee Chen Lau, Andrew Hill
- 10:20am Morning Tea

Session 6 Chairman - Graeme Skeggs

- 10:45am The Taranaki leg ulcer clinic - Sean Liddle, Damien Mosquera
- 11:30am Carotid intervention at Wellington Hospital - Danella Favot, Dilip Naik
- 11:45am Duplex surveillance of asymptomatic ICA stenoses - Isabel Wright, Thodur Vasudevan
- 12:00pm Correlation of the ABCD² score with the degree of carotid artery stenosis
Manar Khashram, Thodur Vasudevan
- 12:15pm **Close of Meeting**
